West Michigan American Youth Football Program is a skill and knowledge-base learning program that focuses on youth becoming excellent student-athletes.

The program also places a heavy focus on upper-level preparation for middle school and high school football. Our program expects our youth to be great students as well as great athletes. Students must maintain good academic status during the season and off season. The skills and knowledge we teach will best prepare them for the next level. Students will learn, grow, develop, compete and have fun! Make sure you sign up now!
